MEMORANDUM FOR THE RECORD

24 June 1952

General Counsel

Item for the Daily Log - 24 June (Tuesday)

25X1A

25X1A

I talked on the telephone with [REDACTED] about the status of his case and to ask him his plans for further action. [REDACTED] told me he had submitted a report to ADD/A and was waiting to hear the outcome of that submission. I told him such a report might result in the general hearing either by a Board or by the Inspector General, and [REDACTED] said that would be agreeable to him. I informed Colonel Baird of this conversation. Colonel Baird said he felt that it would be difficult to take action without an answer to his memo of 18 June setting forth certain proposals [REDACTED] I said it was my impression that [REDACTED] had not intended to answer this directly, but wanted to let his report speak for him in this connection. I received a call from Mr. Hanson, lawyer for the [REDACTED] and [REDACTED] who had been sued [REDACTED] He said he had checked and found that the case had been dismissed by [REDACTED] lawyer and that he proposed no further action unless the suit were renewed. I said that this was a matter purely between himself and his client, but that I would appreciate it if he would keep me informed, which he promised to do.
